Our students were invited to work in **Pen Pal Club**.

First of all we **exchanged the letters with our Erasmus+ friends in France**. We enjoy this kind of communication very much.

We tried to **practice English language** as much as we could. We also did some **local jobs to show** our interest in **community life**. Below please read and watch what we have done so far ...

Christmas Cards Exchange 2020

This year is little bit different and we try to do traditional Christmas Cards and we send them to France and Spain

Digital answer from Spain

Our partner school from Puertollano, Spain send us beautiful cards done differently this year.

Merry Christmas

My name is Eva, I'm from Spain.

May magic be your best outfit this holiday season, your smile the best gift, your eyes the best destination and your happiness my best wish.

«If my smile serves as an ornament at Christmas, count on it, if my hand helps you, you have both, if my heart brings you happiness, it is all yours.

Merry Christmas!

I hope they give you many things. In my house we make a kind of invisible friend,

a secret person to give a present to. I have to give my sister a present. She's my secret friend for this Christmas game this year.

Merry Christmas

Are you spending Christmas well? ? ? ?

I very well

I hope they give you a lot of things

Wesołych Świąt i Nowego Roku życzy Yolanda Lopez Laguna 6.B

Z całego serca życzę Ci, aby magia Świąt Bożego Narodzenia oświeciła Cię i pomogła spełnić wszystkie Twoje marzenia.

Our School Pen Pal Club and Scouts

Due to the covid situation our Pen Pal Club though about people who stay in Sanok's hospital at Christmas Time. We made 70 cards to distribute at Christmas Eve Day.

Christmas Card to Kensington Palace

Thinking of everybody at **Christmas Time** we also prepared nice card for **Royal Family**. We sent the card to the **UK** to **Duke William, Duchess Kate and their children**. Guess what ? **We got answer back!!!**
