

CHRISTMAS IN FRANCE

The CM1 class (pupils aged 9/10 years old) worked on this project. They came up with the idea of highlighting their own Christmas traditions by creating an alphabet.

As our class is composed of 26 students it was perfect!

Before starting our project we observed works by an artist named Jack Daly who uses letters to highlight major city monuments. Here are a few examples:

Barcelona

Dublin

We hope
you enjoy it!
