

Decoupage workshops

Christmas baubles

The art around us

Erasmus+

Workshop objectives

- Developing spatial imagination
- Inspiration to make artwork according to one's own idea
- Improving manual skills
- Sensitization to art and beauty
- Building self-esteem through self-made decorations

**In our school there was a decoupage workshop
where the girls made Christmas baubles**

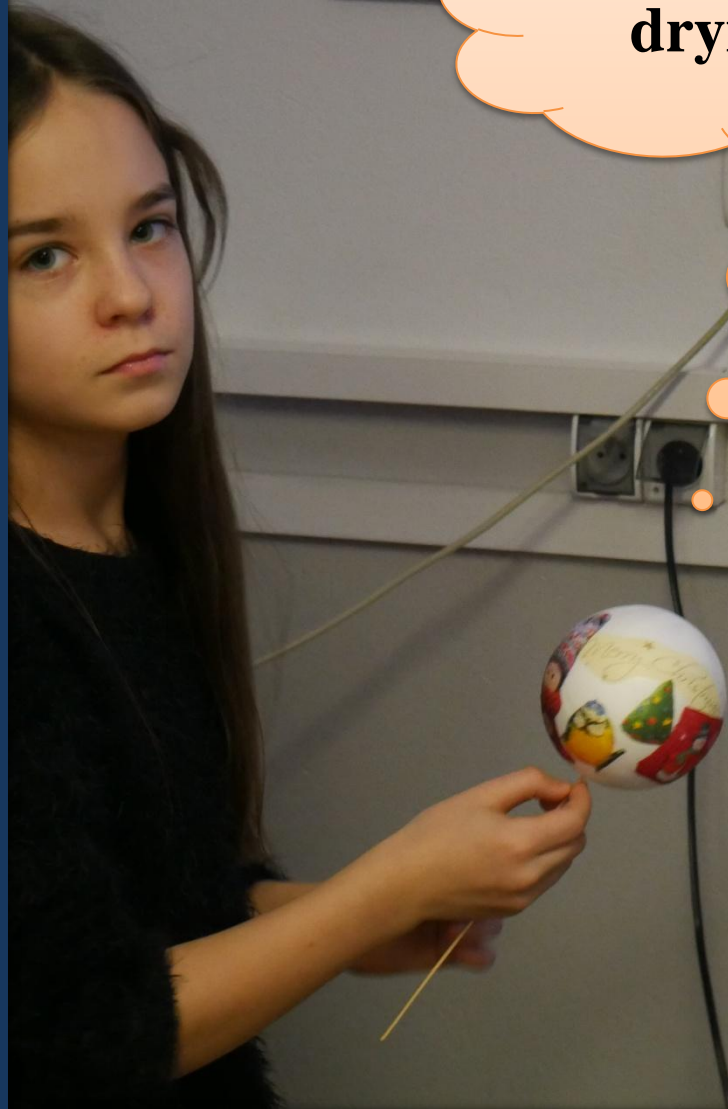

**First design of
our baubles**

**And now the
drying stage**

**Preparation for
painting with
varnish**

**Final
corrections**

**We decorate
with coloured
glitter**

**We finish the
bauble with
an impressive
bow.**

**This is the result
of our work**

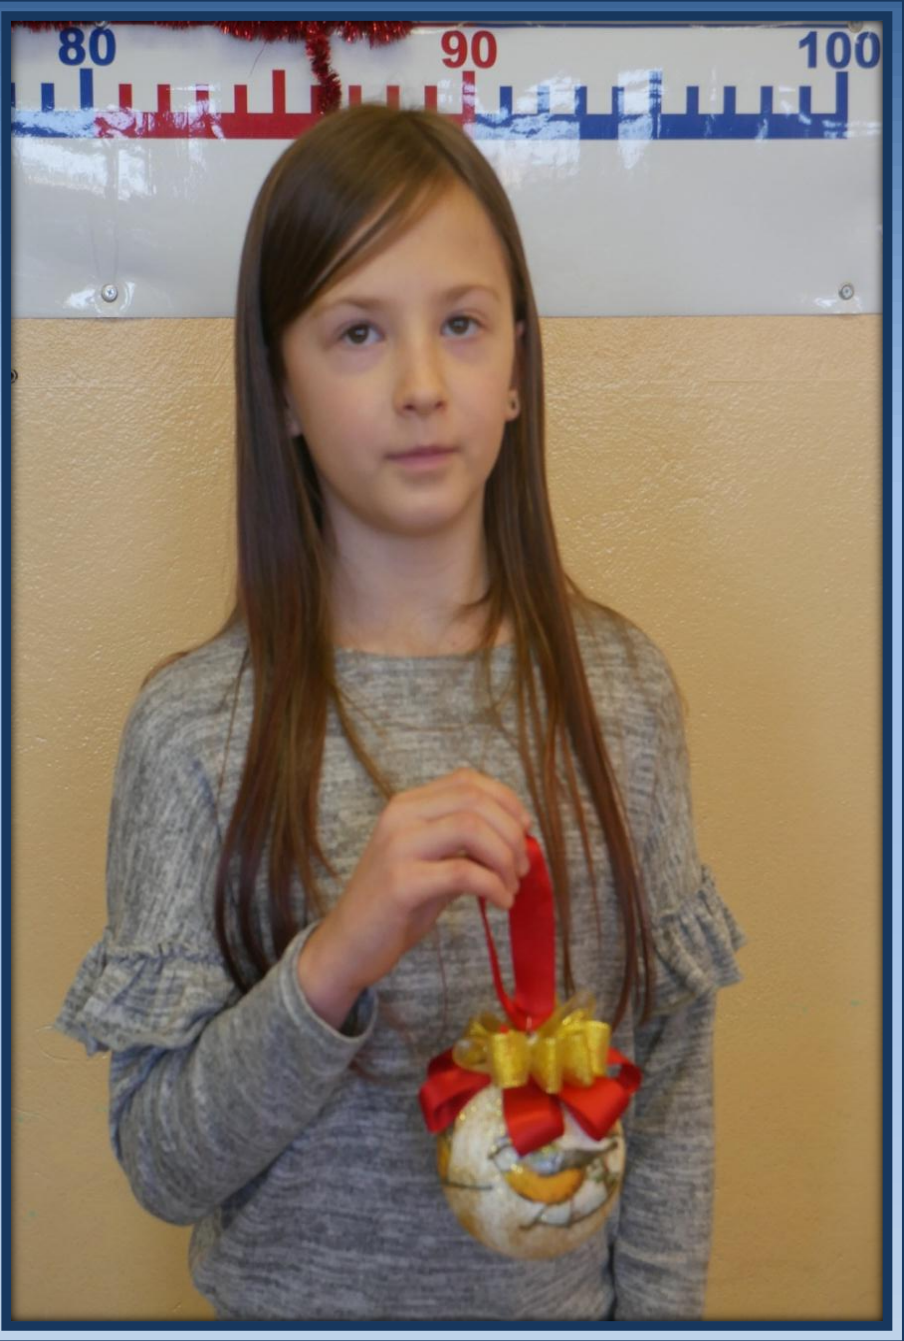

The workshop was attended by students from classes 5a and 5b.

The coordinator of the workshops at our school was Mrs Edyta Podstawska.
