Pen Pal Friends
Club

School Year
2019/2020

The school **Pen Pal Friends Club** began its activity.

The students of grade 4,5,6 and 7 thanks to the **Erasmus+ program** got to know their friends from partners schools in **France, Spain and Italy** .

The first letters have started new friendships.

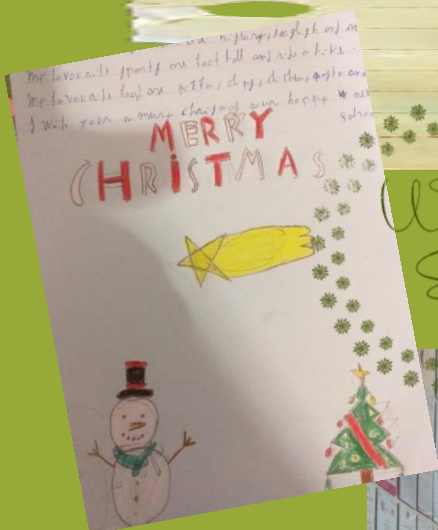

The Christmas Time arrived and as an old tradition Christmas Cards were written and sent to our friends.

Wesołych Świąt!

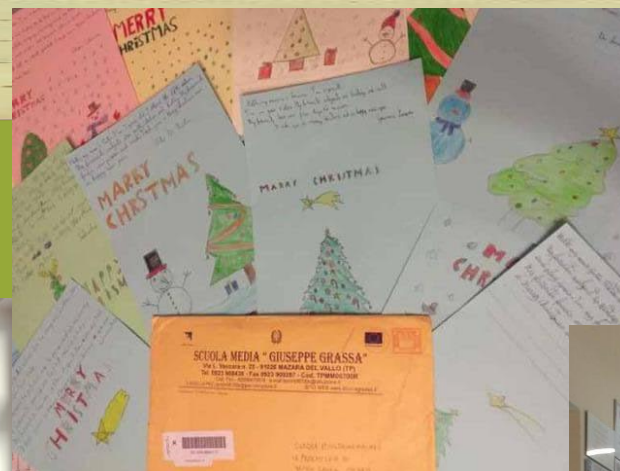

The last day at school before **Christmas Break** passed in pleasant atmosphere.

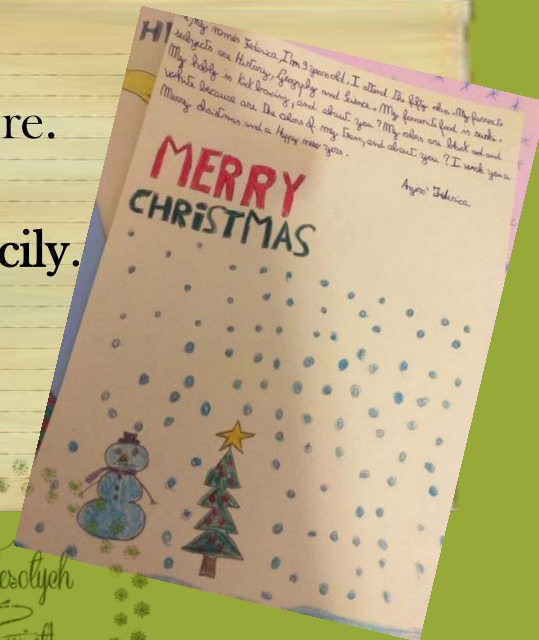

A nice touch was the fact of receiving letters and wishes from **France and Sicily**.

Wesołych Świąt!

Wesołych Świąt!

**It is Christmas
WE wish
that joy and happiness will fill
your home and life.
All the best in New 2020 Year
to all Members of The Pen Pal
Club from partners schools
and successful cooperation
during the whole Year.**
